Invitation for Sponsorship

MEDITEL 2008 is an international event that takes place in India every two years and offers a forum for *e-Health, Telemedicine and Biomedical Sciences*. We invite you to sponsor this international event and benefit from the participation. The conference is expected to attract over 800 doctors and computer technocrats from healthcare field from India and abroad.

MEDITEL 2008 will provide an opportunity to interact and network with qualified specialists including users, buyers, healthcare providers, industry representatives, researchers and policy makers. The event will showcase successful products in the healthcare environment and discuss challenges in their implementation. The conference besides a very exhaustive program will also feature four different workshops and a trade exhibition.

MEDITEL 2008 like its past conferences- is an event not to be missed.
